

Планка якоря

Technical drawing of a rectangular anchor plate. The overall dimensions are 190mm in length and 9mm in width. The plate features two identical rectangular slots, each measuring 171mm in length. The slots are positioned symmetrically, with a 2.3mm gap between them. The drawing includes dimension lines and numerical values for all specified measurements.

Пластина корпуса

Technical drawing of a rectangular plate. The overall width is 190 and the overall height is 9. The central length is 181. There are two sets of mounting holes, each with a vertical spacing of 2.3. The holes are located at the ends of the plate, with a distance of 181 between the centerlines of the two hole sets.
