## 4MP AI IR Dome Network Camera

### System Overview

With advanced deep learning algorithm, Dahua Ultra AI series network camera supports various intelligent functions and satisfies the requirements in different scenes. The camera can accurately detect person, vehicle, and non-motor vehicle, face, and liveness. This series camera has ultra starlight night version effect, and works with ultra-low stream. It supports dust-proof function, waterproof function and vandal-proof function, complying to the standards of IP67 and IK10.

### Functions

#### People Counting

With deep learning algorithm, Dahua People Counting technology can track and process moving human body targets to realize the accurate statistics of enter No., leave No., and In Area No. Working with management platform, it outputs yearly/monthly/weekly/daily reports to meet your requirements.

#### Video Metadata

With deep learning algorithm, Dahua Video Metadata technology can detect, track, capture vehicle, non-motor vehicle and people, and select the best images, and extract attributes.

#### Smart Codec

With advanced scene-adaptive rate control algorithm, Dahua smart encoding technology realizes the higher encoding efficiency than H.265 and H.264, provides high-quality video, and reduces the cost of storage and transmission.

#### ePOE

Dahua ePoE technology provides a new way to accomplish long distance transmission between IP camera and network switch. It allows more flexible surveillance system design, improves reliability and saves construction and wiring cost.

#### Perimeter Protection

With deep learning algorithm, Dahua Perimeter Protection technology can recognize human and vehicle accurately. In restricted area (such as pedestrian area and vehicle area), the false alarms of intelligent detection based on target type (such as tripwire, intrusion, fast moving, parking detection, loitering detection and gathering detection) are largely reduced.

- 4MP, 1/1.8" CMOS image sensor, low illuminance, high image definition
- Max outputs 4MP (2688×1520) @50 fps/60 fps
- H.264&H.265 coding, high compression ration · Wide dynamic, day/night, 3D noise reduction, AWB, HLC, BLC
- ROI, SVC, SMART H.264/H.265, flexible coding, applicable to various bandwidth and storage environments
- With deep learning algorithm, it supports people counting, face recognition, perimeter protection etc.
- 24V AC/PoE/12V DC power support
- Five streams for three-channel HD video
- IP67, IK10 protection grade

#### Face Recognition

Dahua Face Recognition technology extracts the features of captured faces and compares them with that in face database to recognize the person identity.

#### Privacy Protection

Dahua Privacy Protection technology can mask the detected face and human body to protect the privacy of some special targets.

| Technical Specification   |      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                   |                  |                  |

|                   |                                                                                                                                                                                                       |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Power Supply      | 12V DC/24V AC/POE                                                                                                                                                                                     |
| Power Consumption | Basic power consumption: 5.4W (12V DC); 5W (24V AC active power); 4.9W (POE);<br>Max power consumption (ICR switch, and IR full intensity): 16.7W (12V DC); 15.7W (24V AC active power); 15.6W (POE); |

### Environment

|                       |                                  |
|-----------------------|----------------------------------|
| Operating Temperature | -40°C to +60°C (-40°F to +140°F) |
| Storage Temperature   | ≤95%                             |
| Storage Temperature   | -40°C to +60°C (-40°F to +140°F) |
| Ingress Protection    | IP67, IK10                       |

### Structure

|              |                                                   |
|--------------|---------------------------------------------------|
| Dimensions   | 129.1 mm × Φ157.9 mm (5.08" × Φ6.22") (L × W × H) |
| Net Weight   | 1500g(3.31lb)                                     |
| Gross Weight | 1600 g (3.53 lb)                                  |
| Installation | Ceiling Mount; side Mount; pole Mount             |

### Ordering Information

| Type        | Part Number            | Description                   |
|-------------|------------------------|-------------------------------|
| 4MP Camera  | DH-IPC-HDBW7442HP-Z4FR | 4MP AI IR Dome Network Camera |
|             | DH-IPC-HDBW7442HN-Z4FR | 4MP AI IR Dome Network Camera |
|             | IPC-HDBW7442HP-Z4FR    | 4MP AI IR Dome Network Camera |
|             | IPC-HDBW7442HN-Z4FR    | 4MP AI IR Dome Network Camera |
| Accessories | PFA773                 | Wall Mount                    |
|             | PFB210W                | Wall Mount                    |
|             | PFA152-E               | Pole Mount                    |
|             | PFA101                 | Wall Mount                    |
|             | PFB300C                | Ceiling Mount                 |

### Accessories

#### Optional:

PFA773

PFB210W

PFA152-E

PFA101

PFB300C

| Ceiling Mount | Wall Mount       | Wall Mount     |
|---------------|------------------|----------------|
|               | PFA773           | PFB210W        |
|               |                  |                |
| Wall Mount    | Pole Mount       | Hang Mount     |
| PFB210W       | PFB210W+PFA152-E | PFB300C+PFA101 |
|               |                  |                |
