

Honeywell Security HLR1001 IP over coax converter

Technical Specification

Make	Honeywell Security	
Company	Honeywell	
Model code	HLR1001	
Telemetry Type	Coax	
Environmental Specifications	Operating Humidity %: 5 ~ 95 Operating Temp °C: -30 ~ 65 C (-22 ~ 149 F)	
Electrical Specifications	Power Consumption:	
Physical Specifications	Dimensions mm: 79 x 52 x 23 Weight g: 61	

Additional info

- IP over Coax Converter (Transmitter + Receiver)

- Supports IEEE802.3, IEEE802.3u and IEEE802.3X standards

- Port: 1xRJ45 10/100Mbps, 1xBNC

- Supports IEEE802.3af and IEEE802.3at power supply standards

- Supports MDI/MDIX self-adaption

- Supports RG59 coaxial cable: 1312ft/400m/100Mbps, 3281ft/1000m/10Mbps

- Supports long range power supply transmission via coaxial cable
